

Perfect Show Case for Rapidly Growing Industry

As the curtain goes up on the third edition of Mexico's Aerospace Fair, the numbers tell a story, of an event going from strength to strength. FAMEX 2019 has more than 600 exhibitors, up from under 550 in 2017.

No New Aircraft for Mexican Air Force

Notwithstanding the austerity measures the government has undertaken, the Mexican Air Force has the necessary number of fixed and rotary wing aircraft needed to protect the country and its people...
